

NPAG 2020 - 2021 Year In Review & 2022 in a nutshell

1

NPAG members in coalition with allied healthcare professionals and members of African Diaspora ensured victory for 2 GA senate candidates whose policies positively affect our community.

We are continuing to seek alliances that would also lead to enhancing governance in Nigeria. Watch out for an engagement February 2022!

2

NPAG Bulletin launched to keep members informed. Open your phone app and scan the QR code below to read more

3

Clean water initiative

- Provided access to clean water in Aliade community, Benue State
- Helped 1,000 people get permanent voter registration card
- We are expanding to Kaduna and Edo State.

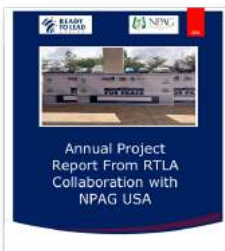

Community water source prior to our intervention

4

- Lobbied for electoral reform that now includes electronic transmission of results. This will decrease rigging of election results.
- Sponsored youth against violence accord Anambra State Governor election. Plan to do the same in upcoming Ekiti and Osun state elections 2022
- #iwillvote initiative in Anambra State
- Implementing #readytovote; #readytoserve initiatives 2022
- #strengthenINEC

5

Hosted Inaugural Virtual IMPACT Conference

See you in Houston, TX August, 2022 for our 2nd annual IMPACT conference
Theme: Changing Diaspora Action from Reactive to Proactive

"Alone we can do so little, together we can do so much."

Help us have a greater impact in 2022!
